Homework/Tarea

Please read the following situations carefully and respond in Spanish. Please post the homework in Blackboard.

Situaciones

1. Pass a note to a friend asking him/her where the library is. What will the note say?

2. Your online friend wants to know where your country is in the Caribbean. Send him/her a reply.

3. Your friend wants to come to your house and wants to know if it is near or far from your school. Write the response that you send.

4. Send a reply to your friend thanking him/her for giving you directions.
